ABOUT US

A President with the Passion of Protection

**Picture of Michael
Preferably, at a local
event**

Michael Flagg, President of Flagship Security, is a proud native of Atlanta. Growing up, he was always active in the community. He excelled in sports and played both college and professional football.

After his football career, he enjoyed working in some of Atlanta's top establishments providing personal security services for celebrities.

Michael had a dream to

1. Start his own business (right in his hometown)
2. Create a tight-knit group of competent employees
3. Build a business that protects his city
4. And gives back to his Eastside Atlanta community that he loves.

He's created this dream and now has decided to dream even bigger. He has his eyes on the stars! His next goal is to be the premier choice of security companies in Atlanta GA for the movie industry.

The Elite Security Team

The quality of our service begins with Flagship's stringent hiring practices.

As the top private security company in Atlanta, we pride ourselves in only hiring the best. We understand that when you hire us - we are an extension of you and your business.

Before hiring, all of our security personnel undergo

- ✓ Extensive criminal background checks
- ✓ Initial and ongoing drug testing
- ✓ Reference verification
- ✓ Education verification
- ✓ Employment history verification
- ✓ Security certifications verification
- ✓ Georgia security registration card verification

We analyze each employment application looking for any inconsistencies, misrepresentations, fraud or false statements.

Since we cover many of Atlanta's high-profile events (catering to celebrities and VIPs), we maintain very high standards for:

- ✓ Grooming
- ✓ Verbal skills
- ✓ Interpersonal skills
- ✓ Responsibility
- ✓ Self-discipline
- ✓ Honesty & integrity

We invite only the elite to join our security firm. Then, as part of our team, we treat them like family. Because the safety of our employees (and clients) is a top concern, we consistently provide our team the most up-to-date training.

TRAINING

Security threats and threat levels change minute by minute. Private security companies have to stay up to date on technology and best practices. We pride ourselves on ensuring our employees are trained often and well.

Flagship has developed a standardized program to prepare our security personnel including seminars, classroom training, and video instruction.

PUBLIC RELATIONS TRAINING

Our superior public relations training puts emphasis on serving you the client and our community.

Flagship trains its employees in discretion, poise, and interpersonal skills. This training ensures events will be enjoyable and stress-free. When dealing with large crowds good public relations is an essential component. Keeping things under control without any embarrassing incidents from occurring, is our top priority.

We also provide state-of-the-art training in non-physical assertiveness when needed.

Besides basic training in first aid, job & equipment safety, public relations, and effective communications, our Director of Security and all of our supervisors stay up to date on:

- ✓ Current threat level and risk assessment for Atlanta GA and the metro area,
- ✓ Legal authority and the law of arrest.

INSPECTIONS & SPECIAL INSTRUCTIONS

To ensure we always look and act professionally, our supervisors consistently perform visual inspections and verbal testing.

We check our security guards and personnel for:

- ✓ Personal appearance, neatness, condition of uniforms, alertness
- ✓ Knowledge of the general security instructions
- ✓ Specific security instructions relating to your operations.

Our guards are a vital extension of the management team. Proper selection, training, and personnel quality control are crucial.

All of this results in giving you, your company, your group security services you can rely on and trust.

SAFETY PLANNING

We develop an individualized strategic plan to identify risks and ensure the safety of

- Our clients,
- Their guests,
- Customers &
- Employees,
- In every event,
- Under all circumstances.

INDUSTRIES WE SERVE

Movie Industry

Always professional, poised, and focused we cater to Atlanta's growing movie industry. With years of experience handling large entertainment events, we know how to keep celebrities and VIPs safe.

We offer protection services for galas, film premieres, grand openings, and set productions. Our private bodyguards are discreet, highly trained, and on always on alert in the background. We offer armed and unarmed guards.

Hospitality

Keeping hotel guests and their property safe is a top concern. We create a safe lodging and entertainment environment so guests will return and liability claims will drop. Our ultimate goal is to improve your reputation and the bottom line of your business.

Special Events

We are Atlanta's top choice for special events. For example, every year we cover Macy's Christmas Tree lighting. Also, our security firm has been chosen to protect the BET Hip Hop Awards.

We have a documented history of providing quality security services for events such as:

- Corporate board meetings,
- Shareholder meetings,
- Cruise ship celebrations,
- Concerts,
- Seminars,
- Charity events and fundraisers,
- VIP luncheons,
- Galas,
- Retreats,
- Movie premiers,
- Employee and group functions.

We consider a "successful event" to be one with no loss of property, zero disruptions, and the absolute personal safety of all attendees.

Local Government

Having provided security to Dekalb County Government contracts multiple times, we understand safety risks and concerns of our local officials.

Using our government safety strategy checklist, we ensure the security of our officials and citizens. After conducting a thorough government risk assessment (assessing the past, current, and possible future risks to safety), we create a plan. Then we secure all buildings, locations, and personnel.

We are available on short notice, for one-time events, and ongoing contracts.

Retail Loss Prevention

We provide loss prevention experts to blend in with your retail environment. Our expertise attributes to your success. Our comprehensive security measures uncover employee theft & embezzlement. Keeping your retail establishment safe and profitable is our job.

New Construction

One of the best ways to secure a building - whether commercial or residential is to put in preventative measures when it is being built.

Our electronic security experts are up to date on the latest security systems. We can provide safety and security for years to come. We offer initial setup and ongoing maintenance programs.

Residential

Keeping the residents of Atlanta safe has always been and will always be a top priority.

Although we cater to big business and events, we still offer residential services. You can take advantage of our advanced skills, risk assessment, and security services to ensure your safety and the safety of your family. We can install a security system and provide ongoing maintenance.

Service Areas

Along with protecting Atlanta, we also service Gwinnett County and Fulton County, along with the cities of Lawrenceville, Duluth, Decatur, Snellville, and Lilburn.
